INDEX TO VOLUME 3

PAGE

A

Aborigines at Aurukun and Weipa Mission 1. 206
——— 2. 213
Abstracts of papers:
Australian Paediatric Association, 12th Annual Meeting 175
Adoption — A modern child-welfare service 70
Aganglionosis, intestinal, observations on segment length and abnormality of nerve fibre (abstract) 178
Allan, J., *see* McNicol, K.
Anderson, C. M., *see* Burke, V.
———, *see* Hadorn, B., *et al.*
———, R. McD., *see* Pitt, D., *et al.*
Aneurysm, cerebral arteriovenous, presenting with cardiac failure in infancy 164
Appendicitis in patients under five years of age 144
Arteriovenous fistula, cerebral, and fatal heart failure in the newborn 167
Asia and the Western Pacific region, paediatric education priorities in 181
Asthma, a controlled epidemiological survey of children with, and children with wheezing in Melbourne (abstract) 178
———, the relation of the seasonal variation of, to the weather: An Australia-wide survey 82
Auldist, A. W.: Appendicitis in patients under five years of age 144
Australian Paediatric Association:
Proceedings of the 12th Annual Meeting 175
Abstracts of papers 175

B

Bacterial colonization of the neonate (abstract) 175
Bacteriuria, screening for significant asymptomatic 77
Baker, W. de C., and Bowring, A. C.: Intestinal aganglionosis, observations on segment length and abnormality of nerve fibre (abstract) 178
Beveridge, J.: Sugar phosphates in the prevention of dental caries (abstract) 177
Beveridge, J., *see* Harris, M. J.
Bilirubin nephropathy in the Gunn strain of rat (abstract) 179
Book reviews:
Illingworth, R. S.: Common symptoms of disease in children 233
McKendry, J. B. J. and Bailey, J. D.: The New-born 233
Bowler, D. P.: Child health in Papua and New Guinea 132

PAGE

Bowring, A. C., *see* Baker, W. de C.
Bracken, B. C.: The surgery of cerebral palsy (abstract) 176
Bronciolitis, the diagnosis and management of respiratory failure in infants with (abstract) 176
Browne, Sir Denis: In memoriam 60
Burnell, R. H., *see* Maxwell, G. M., *et al.*
Burke, V. and Anderson, C. M.: Experience with medium chain triglycerides in malabsorptive states in childhood 135
———, *see* Hadorn, B., *et al.*

C

Caries, dental, sugar phosphates in the prevention of (abstract) 177
Cardiac failure, fatal, in cerebral arteriovenous fistula in the newborn 167
——— in infancy, cerebral arteriovenous aneurysm presenting with 164
Central nervous symptoms and serum sodium levels in childhood gastro-enteritis 151
Cerebral palsy, the surgery of (abstract) 176
Cheney, K.: Quiet thoughts on blood 172
Colebatch, J. H., *see* Jack, I., *et al.*
Cooper, R. G. and Sumner, C.: A survey of streptococcal infection in a children's hospital 219
Craven, Dilys.: Why not child visitors? 248
Cytomegalvirus infection in Melbourne children 61

D

Danks, D. M., *see* Jack, I., *et al.*
———, *see* McNicol, K.
Dehydration, effect on the seizure threshold and electrolyte content of brain in rats 156
Dennett, X., *see* Schumacher, M. J., *et al.*
Dental caries, sugar phosphates in the prevention of (abstract) 177
Derrick, E. H. and Szymanski, S.: The relation of the seasonal variation of asthma to the weather: An Australia-wide survey 82
Dey, J., *see* Turner, G., *et al.*
Diabetes mellitus, the genetic distribution of insulinase resistant insulin in juvenile (abstract) 177
Diet, intake of food in normal infants fed a free 99
Doherty, R. L.: Studies of Aborigines at Aurukun and Weipa Mission, North Queensland. 2 Other laboratory studies 213
Dorman, D. C., Harley, J. D., and Menser, M. A.: Congenital rubella (abstract) 175
